## SUBJECTS ■ SUJETS

### Activities of daily living

- Comparing the Disability Creation Process and International Classification of Functioning, Disability and Health Models. Levasseur, M., Desrosiers, J., & St-Cyr Tribble, D. 74(ICF special issue): 233-242.

### Aging

- Defining spirituality and giving meaning to occupation: The perspective of community-dwelling older adults with autonomy loss. Griffith, J., Caron, C.D., Desrosiers, J., & Thibeault, R. 74(2):78-90.

### Appel d'urgence

- Utilisation de la télésurveillance auprès des personnes âgées à domicile : pratiques actuelles et potentielles. Cauette, A., Vincent, C., et Montreuil, B. 74(5):382-392.

### Arthur Frank

- Speaking of suffering and occupational therapy. Egan, M. 74(4):293-301.

### Assessment

- Cognitive assessments for older adults: Which ones are used by Canadian therapists and why. Douglas, A., Liu, L., Warren, S., & Hopper, T. 74(5):370-381.

### Assistive devices

- Lifeworld perspectives utilizing assistive devices: Individual's lived experience following a stroke. Pettersson, I., Appelros, P., & Ahlström, G. 74(1):15-26.

### Autism

- Somatosensory stimulation interventions for children with autism: Literature review and clinical considerations. Hodgetts, S., & Hodgetts, W. 74(5): 393-400.

### Besoins

- Recension des écrits sur la perception des intervenants et des clients à l'égard de l'approche client en psychiatrie. Goulet, C., Rousseau, J., & Fortier, P. 74(3): 172-182.

### Canada

- A survey of occupational therapists in Canada about their knowledge and use of the ICF. Farrell, J., Anderson, S., Hewitt, K., Livingston, M.H., & Stewart, D. 74(ICF special issue): 221-232.

From education to occupation: The story of Thomas Bessell Kidner. Friedland, J., & Davids-Brumer, N. 74(1): 27-37.

### Canadian history

Exploring the mental health roots of occupational therapy in Canada: A historical review of primary texts from 1925-1950. Sedgwick, A.R.W., Cockburn, L., & Trentham, B. 74(5): 407-417.

### Caregiver-receiver dyad

Exploring the impact of multiple sclerosis on couples: A pilot study. Blank, C.W., & Finlayson, M. 74(2): 134-142.

### Children with physical disabilities

Successful participation: The lived experience among children with disabilities. Heah, T., Case, T., McGuire, B., & Law, M. 74(1): 38-47.

### Client-centred

Reflections on ... a disability methodology for the client-centred practice of occupational therapy research. Hammell, K.W. 74(5): 365-369.

### Clinical education

An early fieldwork experience: Student and preceptor perspectives. Mulholland, S., & Derald, M. 74(3): 161-171.

### Cognition

Cognitive assessments for older adults: Which ones are used by Canadian therapists and why. Douglas, A., Liu, L., Warren, S., & Hopper, T. 74(5): 370-381.

### Community development

Exploring Canadian occupational therapists' understanding of and experiences in community development. Lauckner, H., Pentland, W., & Paterson, M. 74 (4): 314-325.

### Community role

Comparing the Disability Creation Process and International Classification of Functioning, Disability and Health Models. Levasseur, M., Desrosiers, J., & St-Cyr Tribble, D. 74 (ICF special issue): 233-242.

### Competence

Occupational therapy students' and graduates' satisfaction with professional education and preparedness for practice. Hodgetts, S., Hollis, V., Triska, O., Dennis, S., Madill, H., & Taylor, E. 74(3): 148-160.

### Constraint-induced movement therapy

A modified constraint-induced movement therapy regimen for individuals with upper extremity hemiplegia. Stevenson, T., & Thalman, L. 74(2): 115-124.

### Consumer participation

Validating the potential of the International Classification of Functioning, Disability and Health to identify barriers to and facilitators of consumer participation. Shaw, L., Leyshon, R., & Liu, M. 74(ICF special issue): 255-266.

### Credentialing examinations

Exploring the impact of a new translation process on the performance of French form writers of the Canadian Certification Exam. Egan, M., Dubouloz, C.-J., Vallerand, J., & Robichaud, L. 74(5): 401-406.

### Curriculum

An early fieldwork experience: Student and preceptor perspectives. Mulholland, S., & Derald, M. 74(3): 161-171.

### Daily occupations

Relationships between occupational factors and health and well-being in individuals with persistent mental illness living in the community. Eklund, M., & Leufstadius, C. 74(4): 303-313.

### Decision-making

Discharge decision-making, enabling occupations, and client-centred practice. Moats, G. 74(2): 91-101.

### Disability

Reflections on ... a disability methodology for the client-centred practice of occupational therapy research. Hammell, K.W. 74(5): 365-369.

### Disability evaluation

A comparison of the International Classification of Functioning, Disability, and Health to the Disability Tax Credit. Conti-Becker, A., Dorale, S., Fayed, N., Kean, C., Lencucha, R., Leyshon, R., Mersich, J., Robbins, S., & Doyle, P.C. 74(ICF special issue): 281-287.

### Discharge planning

Discharge decision-making, enabling occupations, and client-centred practice. Moats, G. 74(2): 91-101.

### Ecological research

Exploring the impact of a new translation process on the performance of French form writers of the Canadian Certification Exam. Egan, M., Dubouloz, C.-J., Vallerand, J., & Robichaud, L. 74(5): 401-406.

### Education

Experiences of social class: Learning from occupational therapy students. Beagan, B.L. 74(2): 125-133.

### Emmanuel Levinas

Speaking of suffering and occupational therapy. Egan, M. 74(4): 293-301.

### Enabling occupation

Discharge decision-making, enabling occupations, and client-centred practice. Moats, G. 74(2): 91-101.

### Environment

Comparing the Disability Creation Process and International Classification of Functioning, Disability and Health Models. Levasseur, M., Desrosiers, J., & St-Cyr Tribble, D. 74 (ICF special issue): 233-242.

### Essai en réadaptation

Les bénéfices d'une période d'essai en réadaptation pour les personnes à faible potentiel de récupération. Bisson, J., Cantin, J., Lambert, J., et Beauregard, L. 74(5): 418-422.

### Étapes

Le processus d'adaptation des adultes présentant des séquelles de traumatisme crânio-cérébral. Dumont, C., Fougereyrolas, P., Gervais, M., et Bertrand, R. 74(1): 48-60.

### Évaluation

Description de la pratique des ergothérapeutes du Québec en salle d'urgence. Veillette, N., Demers, L., et Dutil, E. 74(4): 348-358.

### External barriers

Validating the potential of the International Classification of Functioning, Disability and Health to identify barriers to and facilitators of consumer participation. Shaw, L., Leyshon, R., & Liu, M. 74(ICF special issue): 255-266.

### Fatigue management

Evaluation of a teleconference-delivered energy conservation education program for people with Multiple Sclerosis. Finlayson, M., & Holberg, C. 74(4): 337-347.

### Fieldwork

An early fieldwork experience: Student and preceptor perspectives. Mulholland, S., & Derald, M. 74(3): 161-171.

### Grounded theory approach

Defining spirituality and giving meaning to occupation: The perspective of community-dwelling older adults with autonomy loss. Griffith, J., Caron, C. D., Desrosiers, J., & Thibeault, R. 74(2): 78-90.

## Hermeneutic phenomenology

Lifeworld perspectives utilizing assistive devices: Individual's lived experience following a stroke. Pettersson, I., Appelros, P., & Ahlström, G. 74(1):15-26.

## Historical research

From education to occupation: The story of Thomas Bessell Kidner. Friedland, J., & Davids-Brumer, N. 74(1): 27-37.

## History

Exploring the mental health roots of occupational therapy in Canada: A historical review of primary texts from 1925-1950. Sedgwick, A. R. W., Cockburn, L., & Trentham, B. 74(5):407-417.

## ICF two-level classification

Validating the potential of the International Classification of Functioning, Disability and Health to identify barriers to and facilitators of consumer participation. Shaw, L., Leyshon, R., & Liu, M. 74(ICF special issue):255-266.

## Identity

Defining spirituality and giving meaning to occupation: The perspective of community-dwelling older adults with autonomy loss. Griffith, J., Caron, C. D., Desrosiers, J., & Thibeault, R. 74(2): 78-90.

## Integration

Environmental factors and their role in community integration after spinal cord injury. Lysack, C., Komanecky, M., Kabel, A., Cross, K., & Neufeld, S. 74(ICF special issue): 243-254.

## International Classification of Functioning (ICF)

A comparison of the International Classification of Functioning, Disability, and Health to the Disability Tax Credit. Conti-Becker, A., Dorralp, S., Fayed, N., Kean, C., Lencucha, R., Leyshon, R., Mersich, J., Robbins, S., & Doyle, P. C. 74(ICF special issue): 281-287.

A survey of occupational therapists in Canada about their knowledge and use of the ICF. Farrell, J., Anderson, S., Hewitt, K., Livingston, M. H., & Stewart, D. 74(ICF special issue): 221-232.

Does the comprehensive ICF Core Set for Rheumatoid Arthritis capture occupational therapy practice? A content-validity study. Kirchberger, I., Stamm, T., Cieza, A., & Stucki, G. 74(ICF special issue): 267-280.

Environmental factors and their role in community integration after spinal cord injury. Lysack, C., Komanecky, M., Kabel, A., Cross, K., & Neufeld, S. 74(ICF special issue): 243-254.

## Instrument de mesure

Le Profil du Loisir, un instrument prometteur en ergothérapie. Dutil, E., Bier, N., et Gaudreault, C. 74(4): 326-336.

## Lifeworld perspectives

Lifeworld perspectives utilizing assistive devices: Individual's lived experience following a stroke. Pettersson, I., Appelros, P., & Ahlström, G. 74(1):15-26.

## Loisir

Le Profil du Loisir, un instrument prometteur en ergothérapie. Dutil, E., Bier, N., et Gaudreault, C. 74(4): 326-336.

## Managed competition

The reform of home care services in Ontario: Opportunity lost or lesson learned? Randall, G. 74(3): 208-216.

## Mental health

Exploring the mental health roots of occupational therapy in Canada: A historical review of primary texts from 1925-1950. Sedgwick, A. R. W., Cockburn, L., & Trentham, B. 74(5): 407-417.

## Mental illness

How consumers of mental health services come to understand their potential for work: Doing and becoming revisited. Gewurtz, R., & Kirsh, B. 74(3):195-207.

## Mini-Mental State Examination (MMSE)

Utilité clinique de trois outils d'évaluation pour les personnes atteintes de démence. Hébert, M., Thibeault, R., Sacolax, N., Tandon, K., Germain, M., Bruneau, P., et Gravel, J. 74(2): 102-114.

## Mixed methods

A survey of occupational therapists in Canada about their knowledge and use of the ICF. Farrell, J., Anderson, S., Hewitt, K., Livingston, M. H., & Stewart, D. 74(ICF special issue): 221-232.

## Model, theoretical

Comparing the Disability Creation Process and International Classification of Functioning, Disability and Health Models. Levasseur, M., Desrosiers, J., & St-Cyr Tribble, D. 74(ICF special issue): 233-242.

## Multilingualism

Exploring the impact of a new translation process on the performance of French form writers of the Canadian Certification Exam. Egan, M., Dubouloz, C.-J., Vallerand, J., & Robichaud, L. 74(5): 401-406.

## Multiple sclerosis

Exploring the impact of multiple sclerosis on couples: A pilot study. Blank, C. W., & Finlayson, M. 74(2): 134-142.

## Occupation

How consumers of mental health services come to understand their potential for work: Doing and becoming revisited. Gewurtz, R., & Kirsh, B. 74(3): 195-207.

## Occupational science

Psychosocial aspects of scuba diving for people with physical disabilities: An occupational science perspective. Carin-Levy, G., & Jones, D. 74(1):6-14.

## Occupational therapy

A survey of occupational therapists in Canada about their knowledge and use of the ICF. Farrell, J., Anderson, S., Hewitt, K., Livingston, M. H., & Stewart, D. 74(ICF special issue): 221-232.

An early fieldwork experience: Student and preceptor perspectives. Mulholland, S., & Derald, M. 74(3):161-171.

Does the comprehensive ICF Core Set for Rheumatoid Arthritis capture occupational therapy practice? A content-validity study. Kirchberger, I., Stamm, T., Cieza, A., & Stucki, G. 74(ICF special issue): 267-280.

Experiences of social class: Learning from occupational therapy students. Beagan, B. L. 74(2):125-133.

Exploring the mental health roots of occupational therapy in Canada: A historical review of primary texts from 1925-1950. Sedgwick, A. R. W., Cockburn, L., & Trentham, B. 74(5): 407-417.

Speaking of suffering and occupational therapy. Egan, M. 74(4): 293-301.

The reform of home care services in Ontario: Opportunity lost or lesson learned? Randall, G. 74(3):208-216.

## Occupational therapy education

Exploring Canadian occupational therapists' understanding of and experiences in community development. Lauckner, H., Pentland, W., & Paterson, M. 74(4): 314-325.

Occupational therapy students' and graduates' satisfaction with professional education and preparedness for practice. Hodgetts, S., Hollis, V., Triska, O., Dennis, S., Madill, H., & Taylor, E. 74(3): 148-160.

## Occupational therapy practice

Somatosensory stimulation interventions for children with autism: Literature review and clinical considerations. Hodgetts, S., & Hodgetts, W. 74(5): 393-400.

## Occupational therapy practice, history

From education to occupation: The story of Thomas Bessell Kidner. Friedland, J., & Davids-Brumer, N. 74(1): 27-37.

## Older adults

Cognitive assessments for older adults: Which ones are used by Canadian therapists and why. Douglas, A., Liu, L., Warren, S., & Hopper, T. 74(5): 370-381.

## Pain

Extremity movements help occupational therapists identify stress responses in preterm infants in the neonatal intensive care unit: A systematic review. Holsti, L., & Grunau, R.E. 74(3): 183-194.

## Participation

Environmental factors and their role in community integration after spinal cord injury. Lysack, C., Komanecky, M., Kabel, A., Cross, K., & Neufeld, S. 74(ICF special issue): 243-254.

Successful participation: The lived experience among children with disabilities. Heah, T., Case, T., McGuire, B., & Law, M. 74(1): 38-47.

## Participation sociale

Les bénéfices d'une période d'essai en réadaptation pour les personnes à faible potentiel de récupération. Bisson, J., Cantin, J., Lambert, J., et Beauregard, L. 74(5): 418-422.

## Peer-reviewed publication

Reflections on ... Writing for successful publication. Unruh, A.M. 74(1): 61-68.

## Perception

Recension des écrits sur la perception des intervenants et des clients à l'égard de l'approche client en psychiatrie. Goulet, C., Rousseau, J., & Fortier, P. 74(3): 172-182.

## Phenomenology

Exploring Canadian occupational therapists' understanding of and experiences in community development. Lauckner, H., Pentland, W., & Paterson, M. 74(4): 314-325.

Successful participation: The lived experience among children with disabilities. Heah, T., Case, T., McGuire, B., & Law, M. 74(1): 38-47.

## Philosophy

Speaking of suffering and occupational therapy. Egan, M. 74(4): 293-301.

## Physical therapy

The reform of home care services in Ontario: Opportunity lost or lesson learned? Randall, G. 74(3): 208-216.

## Pratique professionnelle

Description de la pratique des ergothérapeutes du Québec en salle d'urgence. Veillette, N., Demers, L., et Dutil, E. 74(4): 348-358.

## Preterm infants

Extremity movements help occupational therapists identify stress responses in preterm infants in the neonatal intensive care unit: A systematic review. Holsti, L., & Grunau, R.E. 74(3): 183-194.

## Processus d'adaptation

Le processus d'adaptation des adultes présentant des séquelles de traumatisme crânio-cérébral. Dumont, C., Fougereyrolas, P., Gervais, M., et Bertrand, R. 74(1): 48-60.

## Program evaluation

Evaluation of a teleconference-delivered energy conservation education program for people with Multiple Sclerosis. Finlayson, M., &

Holberg, C. 74(4): 337-347.

Occupational therapy students' and graduates' satisfaction with professional education and preparedness for practice. Hodgetts, S., Hollis, V., Triska, O., Dennis, S., Madill, H., & Taylor, E. 74(3): 148-160.

## Protocole d'Examen Cognitif de la Personne Âgée (PECPA-2r)

Utilité clinique de trois outils d'évaluation pour les personnes atteintes de démence. Hébert, M., Thibault, R., Sacolax, N., Tandon, K., Germain, M., Bruneau, P., et Gravel, J. 74(2): 102-114.

## Psychiatry

Relationships between occupational factors and health and well-being in individuals with persistent mental illness living in the community. Eklund, M., & Leufstadius, C. 74(4): 303-313.

## Public policy

A comparison of the International Classification of Functioning, Disability, and Health to the Disability Tax Credit. Conti-Becker, A., Dorralp, S., Fayed, N., Kean, C., Lencucha, R., Leyshon, R., Mersich, J., Robbins, S., & Doyle, P.C. 74(ICF special issue): 281-287.

## Qualitative research

Exploring Canadian occupational therapists' understanding of and experiences in community development. Lauckner, H., Pentland, W., & Paterson, M. 74(4): 314-325.

Exploring the impact of multiple sclerosis on couples: A pilot study. Blank, C.W., & Finlayson, M. 74(2): 134-142.

## Qualité de vie

Les bénéfices d'une période d'essai en réadaptation pour les personnes à faible potentiel de récupération. Bisson, J., Cantin, J., Lambert, J., et Beauregard, L. 74(5): 418-422.

## Quality of life

Relationships between occupational factors and health and well-being in individuals with persistent mental illness living in the community. Eklund, M., & Leufstadius, C. 74(4): 303-313.

## Rehabilitation

A modified constraint-induced movement therapy regimen for individuals with upper extremity hemiplegia. Stevenson, T., & Thalman, L. 74(2): 115-124.

The reform of home care services in Ontario: Opportunity lost or lesson learned? Randall, G. 74(3): 208-216.

## Research

Reflections on ... a disability methodology for the client-centred practice of occupational therapy research. Hammell, K.W. 74(5): 365-369.

## Rheumatoid arthritis

Does the comprehensive ICF Core Set for Rheumatoid Arthritis capture occupational therapy practice? A content-validity study. Kirchberger, I., Stamm, T., Cieza, A., & Stucki, G. 74(ICF special issue): 267-280.

## Salle d'urgence

Description de la pratique des ergothérapeutes du Québec en salle d'urgence. Veillette, N., Demers, L., et Dutil, E. 74(4): 348-358.

## Santé mentale

Recension des écrits sur la perception des intervenants et des clients à l'égard de l'approche client en psychiatrie. Goulet, C., Rousseau, J., et Fortier, P. 74(3): 172-182.

## Scuba diving

Psychosocial aspects of scuba diving for people with physical disabilities: An occupational science perspective. Carin-Levy, G., & Jones, D. 74(1): 6-14.

## Sensory stimulation

Somatosensory stimulation interventions for children with autism: Literature review and clinical considerations. Hodgetts, S., & Hodgetts, W. 74(5): 393-400.

## Social class

Experiences of social class: Learning from occupational therapy students. Beagan, B.L. 74(2): 125-133.

## Socioeconomic factors

Experiences of social class: Learning from occupational therapy students. Beagan, B.L. 74(2): 125-133.

## Soutien à domicile

Utilisation de la télésurveillance auprès des personnes âgées à domicile : pratiques actuelles et potentielles. Caouette, A., Vincent, C., et Montreuil, B. 74(5): 382-392.

## Sports, disabled

Psychosocial aspects of scuba diving for people with physical disabilities: An occupational science perspective. Carin-Levy, G., & Jones, D. 74(1): 6-14.

## Stratégies d'adaptation

Le processus d'adaptation des adultes présentant des séquelles de traumatisme cranio-cérébral. Dumont, C., Fougereyrollas, P., Gervais, M., et Bertrand, R. 74(1): 48-60.

## Stress

Extremity movements help occupational therapists identify stress responses in preterm infants in the neonatal intensive care unit: A systematic review. Holsti, L., & Grunau, R.E. 74(3): 183-194.

## Stroke

A modified constraint-induced movement therapy regimen for individuals with upper extremity hemiplegia. Stevenson, T., & Thalman, L. 74(2): 115-124.

## Suffering

Speaking of suffering and occupational therapy. Egan, M. 74(4): 293-301.

## Système de Mesure de l'Autonomie Fonctionnelle (SMAF)

Utilité clinique de trois outils d'évaluation pour les personnes atteintes de démence. Hébert, M., Thibeault, R., Sacolax, N., Tandon, K., Germain, M., Bruneau, P., et Gravel, J. 74(2): 102-114.

## Telehealth

Evaluation of a teleconference-delivered energy conservation education program for people with Multiple Sclerosis. Finlayson, M., & Holberg, C. 74(4): 337-347.

## Télésurveillance

Utilisation de la télésurveillance auprès des personnes âgées à domicile : pratiques actuelles et potentielles. Caouette, A., Vincent, C., et Montreuil, B. 74(5): 382-392.

## Thomas Bessell Kidner

From education to occupation: The story of Thomas Bessell Kidner. Friedland, J., & Davids-Brumer, N. 74(1): 27-37.

## Transition

Occupational therapy students' and graduates' satisfaction with professional education and preparedness for practice. Hodgetts, S., Hollis, V., Triska, O., Dennis, S., Madill, H., & Taylor, E. 74(3): 148-160.

## Traumatisme cranio-cérébral

Le processus d'adaptation des adultes présentant des séquelles de traumatisme cranio-cérébral. Dumont, C., Fougereyrollas, P., Gervais, M., et Bertrand, R. 74(1): 48-60.

Le Profil du Loisir, un instrument prometteur en ergothérapie. Dutil, E.,

Bier, N., et Gaudreault, C. 74(4): 326-336.

Les bénéfices d'une période d'essai en réadaptation pour les personnes à faible potentiel de récupération. Bisson, J., Cantin, J., Lambert, J., et Beauregard, L. 74(5): 418-422.

## Upper limb

A modified constraint-induced movement therapy regimen for individuals with upper extremity hemiplegia. Stevenson, T., & Thalman, L. 74(2): 115-124.

## Work potential

How consumers of mental health services come to understand their potential for work: Doing and becoming revisited. Gewurtz, R., & Kirsh, B. 74(3): 195-207.

## Writing process

Reflections on ... Writing for successful publication. Unruh, A.M. 74(1): 61-68.
